

Declaration Statement

The terms and conditions below must be accepted by the submitting author, on behalf of all authors, for an abstract to be submitted to the IOF WCO-ECCEO10 Congress:

- Submission of an abstract implies that it has been approved by all listed authors.
- The transfer of copyright to IOF/ESCEO becomes effective when the abstract has been accepted for presentation.
- Abstracts submitted to the IOF WCO-ECCEO10 congress should demonstrate original data and conform to the Abstract Submission Rules and Guidelines.
- The authors agree that the IOF/ESCEO publishes the abstracts online and in the abstract book (published as a supplement to the journal *Osteoporosis International*).
- The submitting author certifies that any work with human or animal subjects related in this abstract complies with the guiding principles for experimental procedures as set forth in the Declaration of Helsinki and related publications.
- The authors confirm their commitment to attend the congress and present the abstract if accepted by the Scientific Programme Committee.
- All authored abstracts, findings, conclusions, recommendations, or oral communications are those of the authors and do not reflect the views of IOF/ESCEO or imply any endorsement. No responsibility is assumed, and responsibility is hereby disclaimed by IOF/ESCEO for any injury and/or damage to persons or property as a matter of products' liability, negligence or otherwise, or from any use or operation of methods, products, instructions or ideas presented in the abstracts. Independent verification of diagnosis and drug dosages should be made. Discussions, views and recommendations regarding medical procedures, choice of drugs and drug dosages are the responsibility of the authors and presenters.
- All authors agree to the media and publication embargo in force for each abstract accepted for presentation at the IOF WCO-ECCEO10 congress.
- All authors acknowledge the IOF Web Privacy Policy: <http://www.iofwco-ecceo10.org/site-agreement.html>
